

## Board Member Bio

### *Rick Owens*

A planned community, schools, recreation centers, and a location with easy access to the mountains were the factors that drew Rick Owens to settle in Highlands in 1989. As a board member since 2002, Rick has been proud to help the community evolve as a uniquely-structured government, holding down costs while delivering high quality services.

He has been passionate about building Civic Green Park, consolidation of the Metro Districts, preparation for the community's infrastructure maintenance through the Metro District's major repair fund, planning for and development of the Highlands Ranch Veterans Monument, roads maintenance and evaluation of the Highlands Ranch Mansion.

Rick is the Senior Director, Home Agent for Convergys, which works in the call center technology and operations industry. He is also involved in the Mountainview Community Christian Church as the men's ministry coordinator, and is a member of the Project Management Institute. Rick and his wife Cathy have been happily married for 25 years. They are the parents of three children: Matt, Troy and Jenna Owens.
