

Fact Sheet

Park Construction Projects

Timberline Park

This neighborhood park features a multi-use sports field and playground. The Metro District will install a new shelter, restroom and park sign this summer. The upgrades are taking place in order for the Metro District to meet our existing standards of neighborhood parks. The upgrades will cost approximately \$80,000.

The park is located on Timberline Drive, east of Quebec and north of Lincoln.

Questions? For more information about this park project, please contact the Metro District at 303-791-0430.
