Honor Dad with Recognition at the Veterans Monument

Looking for a memorable Father's Day gift? Celebrate Father's Day this year Sunday, June 20 with a special gift that celebrates dad's service to our nation. If your dad or grandfather is a veteran or active member of the military, he can be honored with a Dedication Tile at the Highlands Ranch Veterans Monument (HRVM) in Civic Green Park next to the Highlands Ranch Library.

Dedication Tiles are tax-deductible and are placed on columns at the monument site. Eight-by-eight inch tiles are \$500, while four-by-eight inch tiles cost \$200. Gift Tiles are also available to give the recipient for display in their home or garden.

The HRVM was built in 2009, and fundraising efforts continue through the sale of the Dedication Tiles to pay for the project's full construction and maintenance costs.

To purchase a Dedication Tile, please visit www.hrvets.org, or contact Marsha Sliter at 720-240-4931, or at mmliter@highlandsranch.org.

The Highlands Ranch Veterans Monument, dedicated July 1, 2009, is the realization of more than three years of planning, dreaming and devoted fundraising with the goal of honoring the service and sacrifices of our nation's veterans. The monument construction is just the beginning. Fundraising and Dedication Tile sales will continue as long as there are veterans to be honored. Visit www.hrvets.org to take a virtual tour of the monument, and to learn more.
